

PREMIRA® Microfiber Wipes & Hand Pads

Enhanced physical removal provides the right solution for any job

Disposable, 100% synthetic Premira Microfiber Wipes and Hand Pads quickly remove dust, debris, fluids, and oils from a variety of surfaces without harming sensitive materials.

FEATURES

- Eliminate cross-contamination risk
- Broad chemical compatibility, unimpeded disinfectant efficacy
- Consistently better cleaning vs. launderables
- Optimize staff efficiency
- Simplified logistics, lean storage footprint

PREMIRA® microfiber is ideal for cleaning HD flat panel screens, delicate instruments, mirrors, hardwoods, and stainless steel.
