

ContecClean™ Cloth

Economical disposable wipes in convenient sizes

The ContecClean™ Cloth is designed with convenience and economy in mind. Available to purchase in three sizes, the ContecClean Cloth is durable and lightweight for everyday general cleaning. However, it is strong enough to be saturated with most common cleaners and disinfectants. This allows for better application of cleaning chemicals and reduces overall cleaning time. The ContecClean Cloth is a good choice for long term care facilities, schools, industrial settings, and other facilities.

FEATURES

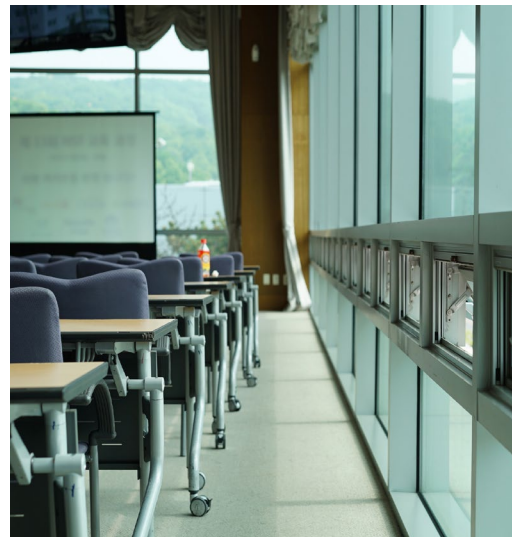

- 100% synthetic and will not quat bind
- Compatible with most common cleaners and disinfectants
- Perforations allow for a variety of wipe size configurations
- Disposable design works in a variety of settings
- Multipurpose capability in a value-sensitive wipe

PERFORATED TO CUSTOMIZE YOUR SIZE

Select based on each cleaning task

ContecClean™ Cloth in roll format is conveniently perforated, so EVS staff and cleaning teams can choose the right wipe size for each job. Not only does this cut down on waste, but it makes cleaning more efficient. Employees can easily customize the ContecClean Cloth to fit their needs without extra cost, time or tools.
